

# Knight Center Parking

Parking is included with the registration fee. No pass is needed on Saturday or Sunday.

**Friday Arrivals:** Parking for Friday arrivals is only available if you are also staying at the Knight Center Hotel. For hotel guests arriving before 5pm on Friday, park in the Visitor Parking on Level 4 of the Millbrook Garage across from the Knight Center entrance on Throop Drive. Go check in to the Knight Center; they will give you a pass for Friday (not available for those not staying at the Knight Center Hotel). If you arrive after 5pm on Friday, no parking pass is needed, but you still must park in the Visitor Parking on Level 4.

**Saturday and Sunday Parking:** No parking pass is needed, but you must park in Visitor Parking on Level 4.

**Monday:** A parking pass is needed on Monday **starting at 7am**. You can request the parking pass for Monday by visiting the front desk Sunday afternoon/evening or Monday morning. For those Knight Center hotel guests leaving Monday morning, please ask what to do at the front desk. I have not been successful in finding a definitive answer.
