

# Nicholas A. Sedlock

---

ADDRESS: Washington University in St. Louis  
Department of Mathematics  
Cupples I, Room 100  
Campus Box 1146  
St. Louis, MO 63130

EMAIL: [nic@math.wustl.edu](mailto:nic@math.wustl.edu)  
PHONE: (314) 313-2897  
WEB: <http://math.wustl.edu/~nic>

RESEARCH INTERESTS: Operator theory on analytic function spaces of the unit disc; the relationship between the properties of Toeplitz operators and their symbols.

EDUCATION: **Washington University in St. Louis**  
May 2010 Ph.D. in Mathematical Sciences (expected)  
May 2006 A.M. in Mathematical Sciences  
**Boston College, Boston, MA**  
May 2004 M.S.T. in Secondary Education in Mathematics  
**Carnegie Mellon, Pittsburgh, PA**  
May 2002 B.S. in Mathematical Sciences

AWARDS: 2007–2008 Dean's Award for Teaching Excellence

TEACHING EXPERIENCE: **Washington University in St. Louis**  
Spring 2009 Instructor – Introduction to Statistics  
Fall 2008 Teaching Assistant – Calculus I  
Summer 2008 Instructor – Finite Mathematics  
Spring 2008 Teaching Assistant – Calculus II  
Fall 2007 Grader – Linear Algebra  
Fall 2006 Instructor – Foundations For Calculus  
Spring 2006 Teaching Assistant – Calculus II  
Fall 2005 Teaching Assistant – Calculus II  
**Southwestern Illinois College, Belleville**  
Summer 2005 Adjunct Instructor – Precalculus  
**Boston College**  
Fall 2003 Instructor – Finite Probability  
Spring 2003 Teaching Assistant – Calculus I  
Fall 2002 Teaching Assistant – Calculus I  
**Carnegie Mellon**  
Spring 2002 Teaching Assistant – Differential Equations  
Fall 2001 Teaching Assistant – Foundations of Mathematics  
Spring 2001 Teaching Assistant – Calculus I  
Fall 2000 Teaching Assistant – Calculus II

TALKS: **Washington University Analysis Seminar**  
September 2009 Multiplication of truncated Toeplitz operators  
April 2009 Complex symmetric operators  
November 2008 Truncated Toeplitz operators and invertibility  
March 2008 Truncated Toeplitz operators
