

Math 416, Fall 2013

Assignment 1, 5 September 2013

PROGRESS: We are moving steadily through the book. We have covered Chapter 1 (skipping §1.3), are now covering Chapter 2, and will probably finish Chapter 3 next week.

PROBLEMS:

- pg. 18- : 1c, 5, 6, 12a, 26
- pg. 32- : 3, 4, 9, 11, 19, 23

DUE: This assignment is due Thursday, 12 September, at the start of class.

NOTE: There are solutions to the unstarred problems in the back of the book. You may certainly take advantage of them. Show enough work in your assignment so that it is clear how you arrived at your answer.
