

Math 416, Fall 2013

Assignment 2, 12 September 2013

PROGRESS: We are finishing Chapter 4 and should begin Chapter 5 on Tuesday. Our pace will slow a bit when we get to Chapter 5.

PROBLEMS:

- pg. 41– : 4, 8, 9, 12, 13, 14
- pg. 56– : 2, 3
- pg. 74– : 1, 2, 3

DUE: This assignment is due Thursday, 19 September, at the start of class.

NOTE: There are solutions to the unstarred problems in the back of the book. You may certainly take advantage of them. Show enough work in your assignment so that it is clear how you arrived at your answer.
