

# Math 416, Fall 2013

## Assignment 4 (actually), 26 September 2013

**PROGRESS:** We are finishing Chapter 5, skipping section 5.3. We will be starting Chapter 6, moving lightly through 6.1 and 6.2.

**PROBLEMS:**

- pg. 90– : 4, 5, 7, 8, 10, 11, 12

**DUE:** This assignment is due Thursday, 3 October at the start of class.

**NOTE:** There are solutions to the unstarred problems in the back of the book. You may certainly take advantage of them. Show enough work in your assignment so that it is clear how you arrived at your answer.
