

[The housing office has created this guide to walk you through registering for housing for the 48th Summer Symposium in Real Analysis. **Please follow the steps carefully, as the system requires actions in a very specific order.** If you run into technical issues or have any housing-related questions, please contact Jimmy Luong Chacko from the WashU housing office at cjimmy@wustl.edu and [cc ssra48stlouis@gmail.com](mailto:ssra48stlouis@gmail.com).

If you are traveling with a guest, each person must register separately. In the form, you may request each other as a "suitemate." This means your rooms will share a bathroom that is private to just the two of you.
