Statistics 4th edition, Freedman/Pisani/Purves

Grading Scale

- Final Exam 30% Date and time: April 30, 2015, 6-8 pm
- Midterm Exam(s) 20%
- Homework 40%
- Class Participation 10%

We will have either one midterm exam that worth 20% of your grade, or two midterm exams each worth 10%. The final exam will be comprehensive. Calculator is allowed for all exams. Class participation includes possible quizzes and in class group work.

Grading Standard

A: 90 – 100

B: 80 – 89

C: 70 -79

D: 60 – 69

F: below 60

Grading standard may alter according to the difficulty of the materials and performance of the class. Plus or minus will be given to students whose grade fall between two letter grades.
